

Last update from Paul Heiner, our former Support Manager: Thanks for your support

Next week I'll be leaving Blueriq and continue my professional career somewhere else.

I want to thank every customer, colleague and community member for the support I had as Blueriq Support. I Learned a lot from all of you, and enjoyed working at the support desk.

I wish you all the best. Your questions and issues are in good hands with my successor Aäron.

Thank you once again.
