

Testimonials

[Back to the register](#)

As part of an mailing campaign we gathered some testimonials from Blueriq certified specialists.
If you want to join this list, please send your testimonial to certificering@blueriq.com and we will add it here.

Good to see that not only Blueriq employees are registered, but way more Blueriq specialists.

Rolf Klaar		WoCo Innovations	Blueriq Certified Business Associate
------------	---	------------------	--------------------------------------

**Certification also provides a sense of commitment amongst peers. We belong to a unique group that works with a beautiful product.
We meet, interact, learn from each other and grow.**

William van der Linden		WVL Business Engineering	Blueriq Certified Business Professional
------------------------	---	--------------------------	---

**The customer I work for at the moment strongly prefers certified Blueriq specialists.
Whether they are on the Blueriq payroll or not does not matter.**

Dries Bollen		Metakennis	Blueriq Certified Business Expert
--------------	--	------------	-----------------------------------

I do not need to prove my vast experience with Blueriq. The fact that I am a Blueriq certified Business Expert says it all.

Peter Helgers		de Kennismaat	Blueriq Certified Business Expert
---------------	---	---------------	-----------------------------------

**My employer greatly regards certification.
Next to, for example, my Scrum certificates, the Blueriq certificate is very valuable on my resume.**

Ingrid Haan		Capgemini	Blueriq Certified Business Associate
-------------	---	-----------	--------------------------------------

The application process of a Blueriq certification went very quickly. Within a couple of days I was part of the Blueriq register.

Ward de Laat		Pink Roccade Local Government	Blueriq Certified Business Professional
